22. DISPUTE RESOLUTION / DUE PROCESS PROCEDURES

Section 14, of these Rules & Regulations detail the various disciplinary actions that may be taken when team members violate rules during the Area 1N Spring Select program. Discipline conveyed during Area 1N Spring Select play is determined by the Spring Select Director. It is not the Area's intent to be unduly harsh, unfair, arbitrary or capricious. It is the Area's intent to send a message to all of the participants, that it **will not tolerate violent conduct, serious foul play, or offensive, insulting and abusive language/obscene gestures**. It is the responsibility of each participant in Area 1-N to familiarize themselves with the Rules & Regulations and corresponding penalties.

All spectators and coaches are encouraged to offer positive and productive comments regarding any match by the use of Area 1N Referee Feedback Form or the Area 1N Feedback Form, for non-referee issues. These forms are located on the Spring Select Web page at <http://www.aysoarea1n.org>.

A procedure exists to insure that disciplinary decisions of the Area remain fair and that persons involved with the procedure are disinterested parties. This is known as the Area Due Process Procedure.

Area Due Process Procedure

Discipline actions tendered by the Spring Select Director to participants will be by phone call to the respective Coach and Regional Commissioner. Written communication of disciplinary actions regarding **eligibility to continue to participate in the Spring Select Season** to a **participant** or **coach** will be as warranted and at the discretion of the Spring Select Director. Written communications will specify the action being taken and the reasons therefor. The written notice will also notify the participant that he or she, **upon written request for a due process hearing within a certain time frame**, will be given a reasonable opportunity to explain why such action should not be taken. At the request of the disciplined party the Spring Select Director will appoint a panel of no less than three (3) disinterested persons to conduct a hearing at a neutral site. The hearing will be informal and interested parties will be heard.

At the conclusion of the hearing the volunteer panel will meet and confer to make it's determination and present its findings in writing to the Spring Select Director. The Spring Select Director will make a final decision and disseminate the results in writing to all interested parties. At the option of the disciplined party, the decision by the Spring Select Director in this matter may be further appealed to the Area Director.

These procedures have been initiated to make sure that the AYSO philosophy is followed in our actions regarding our membership. Our intent is to satisfy the doctrine of fairness that underlies the basic philosophy of AYSO

Area N Guidelines and National Rules & Regulations and Policies will be in effect during this season and may override or supersede any Rule or Regulation addresses herein.
